RE: Transmittal of Draft Administrative Order on Consent
for Residential Soils Removal Action - East Helena Site

Dear Cindy:

Enclosed please find copies of the draft Administrative Order on Consent for Removal Action ("Order") for the East Helena residential soils removal, the Statement of Work for the removal, and the cover letter transmitting these materials to Jon Nickel of ASARCO Incorporated. Scott Brown is planning to hand-deliver the originals to Jon later today.

Please note that no schedule is attached to the Order. Scott would like to develop the schedule after consultation with Asarco and the Citizens Advisory Committee. It is my understanding that Scott and Jon are contemplating a July 1, 1991 construction commencement date. To ensure that this date can be met, I would like to begin negotiations on the Order as soon as possible. I will call you next week to arrange a meeting to discuss the Order.

Sincerely,

Suzanne J. Bohan
Assistant Regional Counsel
